

## **The Announcement That Changes Everything!**

On that first Easter morning, the women arrived at the tomb of Jesus, the stone was rolled away and they found an angel sitting inside. The angel declared, "He has risen...He is not here!" No longer was death the victor because the grave could not hold Him. No longer was Satan rejoicing over man's evil plot to dispense with the only begotten Son of God. No longer were the disciples walking with their heads down and wringing their hands in despair because their leader who had suffered death on a Cross was now alive! Now it all made sense as they began to remember the things He had told them about all of this. Now His followers were full of confidence and conviction as they stood in streets and the Temple proclaiming "God has made this Jesus whom you crucified, both Lord and Messiah." Later while standing before the religious leaders, the disciples declared this about Jesus, "There is salvation in no one else, for there is no other name under heaven given to people by which we must be saved." Over two thousand years have passed and the message of Christ's Church is still the same, "Anyone who calls on the name of the Lord will be saved." His name is Jesus Christ the Lord. May we follow the example of those disciples and fill our city with the testimony and teachings of Jesus.
